

## Try (more) Russian

Have a look at:

- Three Russian Language pages on our children's website [www.findoutaboutrussia.co.uk/russian-language.html](http://www.findoutaboutrussia.co.uk/russian-language.html).

You will find audio and video material as well as help with the alphabet.

- A list of Russian courses in Scotland:

[www.scotlandrussiaforum.org/directory.html](http://www.scotlandrussiaforum.org/directory.html).

- Ruslan ([www.ruslan.co.uk](http://www.ruslan.co.uk)) publish a lot of teaching materials for adult beginners. You could start with the interactive online version of their first lesson which is available free on [ruslan.elearning247.com](http://ruslan.elearning247.com).

- Using the Alphabet Decoder inside this leaflet try to write your name in Russian letters here:
